RESPONSE TO RESTRICTION REQUIREMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sirs:

In response to the Office Action mailed June 20, 2002 with respect to the patent
application identified above.

The Examiner has required restriction of the application to one of the groups of claims
under 35 U.S.C. § 121. The Applicants, by their attorney, now elect the claims of **group one,**
claims 10-16, 30, 33, 35, 38, and 39. Accordingly, but without prejudice to the patentability
of the subject matter therein, please cancel claims 23-29, 31, 32, and 34. Because all
inventors participated jointly in claims 10-16, 30, 33, 35, 38, and 39, no amendment of
inventorship is believed necessary. Favorable action is now solicited.
